

I am faxing copies of a petition, cancelled check and notice of abandonment. When I recently called the Office of Petitions to check on the status of the petition I was told there was no record of the petition but there was a record of the check being received. I was instructed to send copies of the above mentioned documents and call to check in a few days. The gentleman I spoke to was not sure whether the application was in the pending application department or in the Office of Petitions.

Thank you for your assistance in this matter.
